

Listening Response Guide

1. Choose an excerpt of music of at least 30 seconds in length
2. Set up your recording area for a Magic Line performance
3. Record your piece... Give it everything you have! This is a performance!
4. Listen back twice, listening ONLY for positive things from your performance. List them below.
5. Listen back two more times, listening for things you would like to improve on your next performance. List them below
